Dear Ms. Woolley:

On behalf of City Council, it is my pleasure to extend thanks to you and the team at Lonsdale Quay Market for your contributions to the 2009 Festival of Lights that took place on December 5<sup>th</sup> at Lonsdale Quay Market Plaza.

The contribution of Lonsdale Quay Market in hosting this event was an important part of making this year's event possible, and your continued annual support makes this festival the wonderful community event that it is year after year.

The ongoing contributions of Lower Lonsdale Business Association members like Lonsdale Quay Market are a great asset to community events in our City. Once again, I would like to thank you and your team for your commitment to support public events in Lower Lonsdale.

Yours sincerely,
